

HAND TOOLS AND POWER TOOLS ACCESSORIES

Your speedy effortless tool ►

Profile

JK Files (India) Limited is a 71-year old company built on a legacy of excellence synonymous with Raymond Limited. With four ISO 9001:2008 certified plants, at Ratnagiri, Chiplun, Pithampur and Vapi, our products are marketed all over the country by 600 dealers. Our footprint extends to countries in Europe as well as USA, UK and Latin America with a product range that consists of Files, HSS Drills, HSS Taps, Hand Tools, Power Tools, Power Tool Accessories.

We are committed to combining mechanical and digital engineering to produce innovative solutions for you. Blending the brand's core ideals with the changing requirement of times, we are launching a new outlook with JK Superdrive. This is not just a change in name but also a change in the way we will do our business. It promises new tamper-proof packaging, renewed marketing support and open channels of communication.

Our promise of being your speedy effortless tool combines cutting edge technology with reliability and quality. As you set forth to build a new tomorrow, you will find a reliable partner by your side.

We welcome you to the world of JK Superdrive.

JK Files (India) Limited
(A Subsidiary of **Raymond** Limited)

Quality Policy

We shall provide products and services that meets our Customers' requirements on time, every time.

We shall provide all possible assistance to our Customers wherever required to get benefits from the use of our products.

*We shall continually improve our processes to understand changing customer needs of **QUALITY, COST and DELIVERY** which is vital for our continued growth and success.*

*We will continually improve the effectiveness and compliance of our **QUALITY MANAGEMENT SYSTEM** with the involvement of employees at all levels.*

We are committed to ensure safety of all our facilities.
